

CURRICULUM VITAE

ALBERT J. NEMETH, M.D.

CV: January 2017

Part A: BIOGRAPHICAL INFORMATION

PERSONAL:

Name: Albert J. Nemeth, M.D.
Office Address: Advanced Specialized Laser Center
3165 North McMullen Booth Road
Building C, Suite 2
Clearwater, Florida 33761-2020
Contact: Office: (727) 799-5273
Fax: (727) 791-9325
E-Mail: patientdrnemeth@tampabay.rr.com
Citizenship: United States of America

HIGHER EDUCATION:

BA, Columbia University 1977
M.D., University of Vienna 1983

POST-DOCTORAL TRAINING:

Dermatology, Dept. of Dermatology 1, University of Vienna
School of Medicine, Vienna, Austria, 1983-84
Pediatrics Resident, Dept. of Pediatrics, Pennsylvania State
University, Hershey, Pennsylvania, 1984-85
Wound Healing Fellowship, Dept. of Dermatology, University of
Pittsburgh, Pittsburgh, PA, 1985-86
Dermatology Resident, Dept. of Dermatology and Cutaneous
Surgery, University of Miami, Miami, FL, 1986-89

BOARD CERTIFICATIONS AND LICENSURES:

ECFMG Certification 1984
Federal Licensure Examination (FLEX) 1985
Florida Licensure: ME 55347 1989
Diplomate, American Board of Dermatology 1989

PROFESSIONAL EXPERIENCES:

Albert J. Nemeth M.D., Director, Advanced Specialized Laser Center,
Clearwater, FL 1993 - Present

Affiliate Associate Professor, Dermatology and Cutaneous
Surgery, University of South Florida College of Medicine
Chief, Laser Surgery Program, 1993 - Present

Asst. Professor, Dept. of Dermatology and Cutaneous
Surgery, University of Miami School of Medicine 1989-92

Director, University of Miami Center for Advanced Laser Medicine (CALM)
Director, Pigmented Lesion Clinic
Director, Keloid Clinic, Dept. of Dermatology and Cutaneous Surgery,
University of Miami School of Medicine, 1989-92

SOCIETY MEMBERSHIPS AND OFFICES:

American Academy of Dermatology, Fellow
American Society for Dermatologic Surgery, Fellow
American Society for Laser Medicine and Surgery, Fellow
Royal Society of Medicine, Overseas Fellow
Florida Society of Dermatology & Dermatologic Surgery, Fellow
Florida Society of Dermatologic Surgeons, Fellow
Florida West Coast Society of Dermatology

Florida Society of Dermatology and Dermatologic Surgery: Secretary/
Treasurer: 2012 – 2013

Florida Society of Dermatology and Dermatologic Surgery: Past President:
2011 – 2012

Florida Society of Dermatology and Dermatologic Surgery: Immediate
Past President: 2010 – 2011

**Florida Society of Dermatology and Dermatologic Surgery:
President: 2009 – 2010**

Florida Society of Dermatology and Dermatologic Surgery: President-
Elect: 2008 – 2009

Florida Society of Dermatology and Dermatologic Surgery: Secretary/
Treasurer: 2006 – 2008; 2012 - 2013

Florida Society of Dermatology and Dermatologic Surgery: Board of
Directors: 2005 – 2013

Dermatology Foundation Leaders Society Committee: 2005 - 2014

Dermatology Foundation Board of Trustees: 2005 – present

Dermatology Foundation – Leaders Society:
Chairman: Florida: 2007 - 2014
Dermatology Foundation – Leaders Society
Chairman: Florida North/ Central: 2002 - 2014

International Society of Cosmetic and Laser Surgeons: Board of Trustees:
2006 – 2008
Editorial Board
Lasers in Medical Science 2009 - present

VISITING PROFESSORSHIPS:

University of Oxford, Oxford, England August 1990:
Dermatologic Surgery and Wound Healing: Laser surgery, chemical
peels, dermabrasion, flaps and grafts, reconstructive surgery and Mohs
Micrographic Surgery.

**UNIVERSITY OF MIAMI SCHOOL OF MEDICINE - DEPARTMENTAL
ADMINISTRATIVE AND COMMITTEE RESPONSIBILITIES:**

Director, University of Miami Center for Advanced Laser Medicine (CALM)
Director, Pigmented Lesion Clinic
Director, Keloid Clinic
Dermatology Resident Selection Committee
Co-Director, Medical Student "Mechanisms of Disease" Course

**UNIVERSITY OF MIAMI SCHOOL OF MEDICINE EXTRA-DEPARTMENTAL
ADMINISTRATIVE AND COMMITTEE RESPONSIBILITIES:**

Director, University of Miami Center for Advanced Laser Medicine (CALM)
Sylvester Comprehensive Cancer Center
Dermatology Service Chief
Sylvester Comprehensive Cancer Center
Program and Planning Committee
Melanoma Cooperative Study Group

HONORS AND AWARDS:

Chief Resident, Dept. of Dermatology and Cutaneous Surgery, University
of Miami School of Medicine 1988

Resident Teaching Award: University of Miami June, 1989

Venous Research Award - American Venous Forum 1st Annual National
Meeting: *"Contact Dermatitis and Leg Ulcers: The American Experience."*
New Orleans, LA February 1989

Co-Patent Holder with Dornier Med Tech: Sapphire Erbium Laser

Best Doctors in America: 2001 – Present

Distinguished Service Award – Florida Society of Dermatology and Dermatologic Surgery 2014 April 26

Surgeon of the Year – Florida Society of Dermatologic Surgeons 2015
October 3

OTHER PROFESSIONAL ACTIVITIES:

Scientific Program Committee; Free Communications Co-Chair, Faculty, Keynote Speaker: 5th International Conference LaserInnsbruck 2014: Advances and Controversies in Laser and Aesthetic Surgery Innsbruck, Austria September 2014

Keynote Speaker; Program Co-Chair; Free Communications Chair, Faculty: 4th International Conference LaserInnsbruck 2012: Advances and Controversies in Laser and Aesthetic Surgery Innsbruck, Austria September 2012

Program Chairman: 3rd International Conference LaserInnsbruck 2010: Advances and Controversies in Laser and Aesthetic Surgery Innsbruck, Austria September 2010

Program Chairman: Florida Society of Dermatology and Dermatologic Surgery Annual Meeting: Naples, FL May 2010

Program Chairman: 2nd International Conference LaserInnsbruck 2008: Advances and Controversies in Laser and Aesthetic Surgery Innsbruck, Austria September 2008

Program Chairman: 1st International Conference LaserBarcelona 2006: Advances and Controversies in Laser Medicine and Surgery Barcelona, Spain August - September 2006

Course Director/ Faculty Advances in Flashlamp Excited Pulsed Dye Lasers in the Treatment of Vascular and Pigmented Lesions: "Laser Physics and Laser Safety." "Flashlamp Excited Pulse Dye Lasers." "Laser Treatment of Pigmented Lesions." "Pulsed Dye Laser Treatment of Vascular Lesions." Miami, FL March 1993

Course Director/ Faculty: Copper Vapor Laser 1991 - Vascular Lesions and Pigmented Lesions, a "Hands-on" course, presented by the University of Miami, Department of Dermatology and Cutaneous Surgery, February 1991

Co-Scientific Program Director and Faculty: Dialogues in Cosmetic Dermatology, presented by Northwestern University Medical School, the University of Miami School of Medicine and the American Society for Dermatologic Surgery, Orlando, FL November 1990

INVITED LECTURESHIPS AT NATIONAL/ INTERNATIONAL MEDICAL MEETINGS:

Florida Society of Dermatologic Surgeons 35th Annual Meeting – Advances in Dermatologic Surgery *Faculty: “Laser Pearls II - More Stunning Results, More Grateful Patients”* Tampa, FL September 2016

International Academy Laser Medicine & Surgery 28th International Congress – *Faculty: “Pulsed Dye Laser Combined with Topical Rapamycin for Treatment Resistant Port Wine Stains”* Florence, Italy November 2015

Florida Society of Dermatologic Surgeons 34th Annual Meeting – Advances in Dermatologic Surgery *Faculty: “Laser Pearls - Stunning Results, Grateful Patients”* Boca Raton, FL October 2015

Florida Society of Dermatology and Dermatologic Surgery 85th Annual Meeting - Comprehensive Dermatology & Dermatologic Surgery Update *Faculty: “Cutting Edge Therapy Utilizing Pulse Dye Laser in Daily Practice: A 26 Year Clinical Retrospective”* Boca Raton, FL April 2015

Florida Society of Dermatologic Surgeons 33rd Annual Meeting – Advances in Dermatologic Surgery *Faculty: “Super High Power Tuneable Pulse Dye Laser & Topical Rapamycin for the Treatment of Port Wine Stains”* Lasers/Botulinum Toxin and Fillers Workshop: 595 nm Perfecta Laser Treatment of Vascular Lesions Orlando, FL September 2014

Syneron/Candela - State of the Art Lecture Series: “Cutting Edge Therapy Utilizing Pulse Dye Laser with Dynamic Cooling Technology in Daily Practice: A 25 Year Clinical Retrospective” Orlando, FL September 2014

Scientific Program Committee; Free Communications Co-Chair, Faculty, Keynote Speaker: 5th International Conference Innsbruck 2014: Advances and Controversies in Laser and Aesthetic Surgery: *“Laser Treatment in Combination with Topical Rapamycin for Port Wine Stains/ Propranolol for Hemangiomas: A Practice Perspective”* Innsbruck, Austria September 2014

Florida Society of Dermatologic Surgeons 32nd Annual Meeting -
Advances in Dermatologic Surgery *Faculty*: “*State-of-The-Art Laser Treatment of Pigmented Lesions: A 25 Year Perspective*”
Lasers/Botulinum Toxin and Fillers Workshop: 595 nm Perfecta Laser
Treatment of Vascular Lesions Palm Beach, FL October 2013

Florida Society of Dermatologic Surgeons 31st Annual Meeting –
Advances in Dermatologic Surgery *Faculty*: “*Erbium Laser treatment of Acne Scars: The Gold Standard*” Lasers/Botulinum Toxin and Fillers
Workshop: Laser Tattoo Removal; 940 nm Laser Treatment of Vascular
Lesions Palm Beach, FL November 2012

Keynote Speaker; *Program Co-Chair*; *Free Communications Chair*,
Faculty: 4th International Conference LaserInnsbruck 2012: Advances and
Controversies in Laser and Aesthetic Surgery: “*The Wondrous 940 nm Laser to Treat Vascular Lesions: Long-term Results*” Innsbruck, Austria
September 2012

Florida Society of Dermatologic Surgeons 30th Annual Meeting –
Advances in Dermatologic Surgery *Faculty*: “*The Wondrous 940 nm Laser Wavelength to Treat Vascular Lesions*” Orlando, FL December 2011

Florida Society of Dermatologic Surgeons 29th Annual Meeting –
Advances in Dermatologic Surgery *Faculty*: “*Tattoos: State of the Art Laser Therapy*” Lasers/Botulinum Toxin and Fillers Workshop: Laser
Tattoo Removal; 940 nm Laser Treatment of Vascular Lesions Orlando,
FL November 2010

3rd International Conference LaserInnsbruck 2010: Advances and
Controversies in Laser and Aesthetic Surgery: **Program Chairman &**
Faculty: “Cutting Edge Laser Therapy for Medical and Cosmetic Vascular
Lesions Encountered in Daily Practice” “Tattoos: State of the Art Laser
Therapy” Innsbruck, Austria September 2010

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: *Live Cosmetic Demonstrations*: Abobotulinumtoxin A /
Onabotulinumtoxin A/Fillers /Lipofilling Naples, FL May 2010

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: *Cosmetic Dermatologic Surgery: Focus*
On Acne Scarring: “Acne Scarring – Erbium Laser Treatment/ My
Perspective” Naples, FL May 2010

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: “Cutting Edge Therapy for Medical and Cosmetic Vascular
Lesions Encountered in Daily Practice” Naples, FL May 2010

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: Live Laser Demonstrations: Laser Tattoo Removal/ Vascular Treatments. Naples, FL May 2010

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: "Tattoos: State of the Art Laser Therapy". Naples, FL May 2010

South Beach Symposium *Faculty: "Advances in the Treatment of Vascular Lesions"* Miami, FL Jan 2010

Florida Society of Dermatology and Dermatologic Surgery/ Florida Society of Dermatologic Surgery Joint Meeting *Faculty: "New Communication Technologies: Your Bottom Line and Success!"* Amelia Island, FL August, 2008

Florida Society of Dermatology and Dermatologic Surgery Annual Meeting
Faculty: "Stellar Indications and Results utilizing 940 nm Long Pulse Diode Lasers." Boca Raton, FL May 2009

American Society for Dermatologic Surgery Annual Clinical and Scientific Meeting: *Faculty: "New Communications Technology: Your Bottom Line and Success!"* Orlando, FL November, 2008

2nd International Conference LaserInnsbruck 2008: Advances and Controversies in Laser and Aesthetic Surgery: **Program Chairman & Faculty:** "Erbium Laser Resurfacing of Acne Scars: The Gold Standard"
"Which Laser is Best to Treat Facial Telangiectasias/ Rosacea"
"Lasers to Treat Pigmented Lesions: Overview and Present Status"
Innsbruck, Austria September 2008

Florida Society of Dermatology and Dermatologic Surgery: An Advanced Update on Clinical and Cosmetic Dermatology *Faculty - Laser Live Patient Symposium* Boca Raton, FL May 2008

International Society of Cosmetic and Laser Surgeons – 16th International Symposium on Cosmetic Laser Surgery: *Faculty: "940 nm Lasers for the Treatment of Vascular Lesions."* Las Vegas, NV September 2007

1st International Conference LaserBarcelona 2006: Advances and Controversies in Laser Medicine and Surgery: **Program Chairman & Faculty:** “Erbium Laser Treatment of Acne Scars: Results vs. Downtime”
“Erbium Laser Rejuvenation Series: Results vs. No/ Minimal Downtime”
“Comfort and Pulse Durations during Treatment with an 810 nm Laser: Does it make a Difference/ Immediate Post-Treatment Response and Safety and Efficacy of Laser Hair Removal: Comparative Studies/ 810 nm and 940 nm Wavelengths: Which Wavelength is better for Permanent Hair Reduction?”

“The Role of the 940 nm Laser in Proliferative Port Wine Stains, Hemangiomas, Facial and Leg Spider Veins”

“Lasers in the Treatment of Hailey-Hailey’s Disease, Tuberous Sclerosis, Granuloma Faciale, CREST, and Nevus of Ota.” Barcelona, Spain August – September 2006

Florida Society of Dermatologic Surgeons Annual Meeting: *Faculty:*
“Impressive Laser Hair Removal with an 810 nm PowerPulsed Diode Laser: Safety and Efficacy.” Orlando, FL September 2005

Dermik Labs – Advances in Lasers Seminar:

“Lasers to Treat Telangiectasias – A Review Based on 15 Years Experience” Tampa, FL April 2004

American Academy of Dermatology – Academy 2002: *Faculty:* Seminar- Lasers: “Lasers to Treat Telangiectasias – A Review Based on 13 Years Experience” New York, NY August 2002

American Academy of Dermatology 60th Annual Meeting: *Faculty:*
Surgical Pearls Symposium: “Even Difficult Vascular Lesions Made Easy: The 940 nm Diode Laser”

“Laser Art & Science for Stratospheric Hair Transplant Results” “Novel Indications for Lasers You Already Own” New Orleans, LA February 2002

II International Advances in Plastic Surgery: *Faculty:* “Advances in High Power Erbium Laser Treatment for Wrinkles and Acne Scars”
“Sapphire Erbium Laser Hair Transplantation” Barcelona, Spain September 2000

Seminar on Advanced Cosmetic Procedures Utilizing the Erbium Laser:
Featured Guest Lecturer: “High Power Erbium: YAG Laser Resurfacing of Wrinkles/ Acne Scars” New York, NY June 1999

Florida Society of Facial Plastic & Reconstructive Surgery Annual Meeting: *Featured Guest Lecturer:* “Facial Skin Resurfacing: The Dermatologists' Perspective.” Orlando FL October 1998

VII International Symposium - **American Academy of Facial Plastic and Reconstructive Surgery**: "Pulsed Dye Laser and Copper Vapor Laser: Treatment of Port Wine Stains, Hemangiomas, Rosacea, Spider Veins, and other Vascular Anomalies" Orlando FL June 1998

Surgical Dimensions Seminars: Erbium: YAG Lasers in Cosmetic Surgery: "Skinlight Erbium: YAG Laser Resurfacing of Facial Wrinkles" "Skinlight Erbium: YAG Laser Resurfacing of Facial Acne Scars" Palo Alto, CA August 1997

University of Florida Dermatology Grand Rounds: "Ten Specialized Lasers for Advanced Cosmetic and Dermatologic Surgical Applications." Gainesville, FL June 1997

Surgical Dimensions Seminars: Erbium: YAG Lasers in Cosmetic Surgery: "Skinlight Erbium: YAG Laser Resurfacing of Facial Wrinkles" "Skinlight Erbium: YAG Laser Resurfacing of Facial Acne Scars" Palo Alto, CA May 1997

Cosmetic Surgery 1st National Seminar: The TruPulse Laser: "TruPulse Laser Resurfacing - A Clinical and Histologic Study." Atlanta, GA September 1996

American Academy of Dermatology Annual Meeting: *Faculty: Laser Workshop*. Orlando, FL July 1996

Alabama Dermatology Society Meeting: *Featured Guest Lecturer*: "Advanced Dermatologic Laser Surgery - Six Lasers and Their Clinical Applications". Birmingham, Alabama December 1995

St. Petersburg General Hospital First Quarter Medical-Surgical Conference: "Dermatologic Applications of Advanced Lasers" St. Petersburg, FL March 11, 1995

Pulsed Dye Laser Surgical Workshop: Advances in Flashlamp Excited Pulsed Dye Lasers in the Treatment of Vascular and Pigmented Lesions: "*Laser Physics and Laser Safety.*" "*Flashlamp Excited Pulse Dye Lasers.*" "*Treatment of Pigmented Lesions.*" "*Pulsed Dye Laser Treatment of Vascular Lesions.*" Course Director Miami FL March 1993

Florida Society of Dermatologic Surgery: "*Advanced Laser Treatment of Cutaneous Lesions.*" Orlando, FL March 1993

Japanese 56th Dermatology Congress: **Featured Lecturer.** "*Laser Treatment of Vascular and Pigmented Lesions.*" Tokyo, Japan February 1993

Medicis Conference on Clinical Dermatology: "*Laser Update: Treatment of Vascular Lesions, Pigmented Lesions and Warts.*" "*Leg Ulcer Update.*" "*Wound Healing Update for the Dermatologic Surgeon.*" New York, New York November 1992

Controversies in Cutaneous Laser Surgery: "*Role of Lasers in the Treatment of Nevi.*" "*Optimal Parameters for the Treatment of Benign Pigmented Lesions.*" "*Single Best Laser.*" Aspen, CO August 1992

University of Alberta Wound Management Symposium: "*Practical approaches to leg ulcer management*" "*Compression Therapy - wraps and mechanical devices.*" Edmonton, Canada June 1992

ConvaTec Wound Care Development Meeting: "Occlusive Therapy for Surgical Excisions and Reduction in Scarring." "Occlusive Dressings and Current Strategies in the Treatment of Psoriasis." Princeton, NJ June 1992

ConvaTec National Pharmaceutical Meeting: "Advances in Occlusive Dressing Therapy and Their Clinical Applications." Colorado Springs, CO March 1992

Duke University Young Dermatologists School on Wound Repair: *Faculty:* "*Wound Healing: Basic science and clinical applications.*" Durham, NC October 1991

Seminar on Cosmetic Procedures Utilizing the Copper Vapor Laser - Caduceus Seminars: "*Combining CVL with sclerotherapy.*" "*CVL treatment of telangiectasias, pigmented lesions and angiomas.*" Gwinnett, GA August 1991

Seminar on Cosmetic Procedures Utilizing Advanced Laser and Sclerotherapy - Silver Creek Surgical: "*Copper vapor laser treatment of port wine stains, hemangiomas, telangiectasias, pigmented lesions, and nevi.*" "*Combining CVL with sclerotherapy.*" "*Lesions of viral etiology.*" Orlando, FL August 1991

University of Illinois at Chicago: "*Copper Vapor Laser Update.*" Chicago, IL July 1991

Seminar on Cosmetic Procedures Utilizing Advanced Laser and Sclerotherapy - Caduceus Seminars: *"Copper Vapor Laser Treatment of Port Wine Stains, Hemangiomas, Telangiectasias, Pigmented Lesions, and Nevi."* *"Combining CVL with Sclerotherapy."* *"Copper Vapor Laser Treatment of Lesions of Viral Etiology."* Hilton Head, SC June 1991

American Academy of Dermatology Annual Summer Session - **Plenary Session**: *"Healing of acute wounds."* Monterey, CA June 1991

16th Annual Westwood Clinical Conference on Dermatology: *Faculty: "What's new in laser therapy."* *"Wound healing: Basic science and clinical applications": "Surgical Pearls."* Charleston, SC June 1991

Johnson & Johnson Advanced Wound Healing Research Teams: *"Wound healing and dermatologic surgery."* Dallas, TX May 1991

Current Trends in Wound Care Management: A Demand for an Interdisciplinary Approach, co-sponsored by the University of South

Florida College of Medicine and Support Systems International, Inc.: *"The theory of moist wound healing and practice implications."* Tampa, FL March 1991

American College of Mohs Micrographic Surgery and Cutaneous Oncology 23rd Annual Clinical and Scientific Meeting -- **Guest Speaker**: *"Wound healing: Basic science and clinical applications."* Orlando, FL March 1991

Copper Vapor Laser 1991 - A *"Hands-on"* Course: *"Copper vapor laser treatment of telangiectasias, angiomas and other cosmetic anomalies."* *"Copper vapor laser treatment of pigmented lesions."* *"Copper vapor laser treatment of anogenital and body warts."* Course Director, Miami, FL February 1991

Copper Vapor Laser Surgical Workshop: *"Copper vapor laser treatment of port-wine stains and cavernous hemangiomas."* *"Copper Vapor Laser treatment of telangiectasias, pigmented lesions, nevi and angiomas."* *"Copper vapor laser treatment of lesions of viral etiology,"* Faculty Director, *"Hands-on"* portion of Copper Vapor Laser Workshop. Orlando, FL January 1991

Copper Vapor Laser Surgical Workshop: *"Copper vapor laser treatment of telangiectasias and angiomas."* *"Copper vapor laser treatment of pigmented lesions."* *"Copper vapor laser treatment of anogenital and body warts."* Orlando, FL December 1990

Dialogues in Cosmetic Dermatology Annual Meeting: Co-sponsored by Northwestern University, the University of Miami, and the American Society for Dermatologic Surgery: **Co-Scientific Program Director and Faculty:** *"Improving cosmetic and functional results in office laser surgery."* *"Retin-A with chemical peels."* *"Healing time in skin biopsies."* Orlando, FL November 1990

European Dermatologists School on Wound Healing: *Faculty:* "Dermatologic Surgery and Wound Healing: Laser surgery, chemical peels, dermabrasion, flaps and grafts, and Mohs micrographic surgery" University of Oxford, Oxford, England August 1990

Copper Vapor Laser Surgical Workshop: *"Copper Vapor Laser treatment of telangiectasias and pigmented lesions."* *"Copper Vapor Laser treatment of anogenital and body warts."* Orlando, FL August 1990

North American Society of Phlebology Fourth Regional Special Symposium: *Faculty:* *"Anatomy and pathogenesis of chronic venous insufficiency."* Miami, FL April 1989

Dowling Club of England - University of Miami Joint Dermatology Meeting: *"The effect of wound fluid on explant growth."* Miami, FL April 1989

Pittsburgh Academy of Dermatology: *"Transcutaneous oxygen measurements, edema and leg ulcers."* Pittsburgh, PA June 1986

SCIENTIFIC PRESENTATIONS AT NATIONAL/ INTERNATIONAL MEETINGS:

European Academy of Dermatology & Venereology 14th Congress: "Successful Treatment of Port Wine Stains with a Long Pulsed 940 Diode Laser." London, United Kingdom October 2005

American Society for Dermatologic Surgery Annual Clinical and Scientific Meeting: *Faculty:* "Impressive Laser Hair Removal with an 810 nm PowerPulsed Diode Laser: Safety and Efficacy." Atlanta, GA October, 2005

European Academy of Dermatology & Venereology 13th Congress: "Impressive Laser Hair Removal with an 810 nm PowerPulsed Diode Laser: Safety and Efficacy." Florence, Italy November 2004

American Society for Laser Medicine and Surgery 24th Annual Meeting: "Successful Treatment of Facial Spider Veins with a Long Pulsed 940 nm Diode Laser." Dallas, TX April, 2004

American Society for Laser Medicine and Surgery 22nd Annual Meeting:
"Impressive Laser Hair Removal With 810 nm PowerPulsed Diode Lasers
Configured at 6 ms and 40 ms: A Comparative Study." Atlanta GA April
2002

American Society for Laser Medicine and Surgery 21st Annual Meeting:
"Successful Treatment of Leg and Facial Spider Veins and Vascular
Lesions with a Long Pulsed 940 nm Diode Laser" New Orleans, LA
April 2001

American Society for Laser Medicine and Surgery 21st Annual Meeting:
"Successful Laser Hair Removal with a 940 nm Long Pulse Diode Laser"
New Orleans, LA April 2001

International Society of Hair Restoration Surgery 8th Annual Meeting:
Faculty: Scientific Session: "Sapphire Erbium Laser Assisted Hair
Transplantation" Waikoloa, Hawaii December 2000

International Society of Hair Restoration Surgery 7th Annual Meeting:
Faculty: Scientific Session: "Sapphire Erbium Laser Hair Transplantation:
Revolutionary Breakthrough" San Francisco, CA October 1999

International Society of Hair Restoration Surgery 6th Annual Meeting:
Faculty: Didactic Workshop: "Laser Assisted Hair Transplantation"
Faculty: Scientific Session: Latest Advances: "Erbium Laser Hair
Transplantation: Update and Present Status" Washington, DC
September 1998

American Society for Dermatologic Surgery Annual Clinical and Scientific
Meeting: *Faculty:* Symposium: What's New in Lasers: "Erbium: YAG
Laser-Assisted Hair Transplantation: A Clinical and Histologic Study".
Portland, Oregon May 1998

International Society of Hair Restoration Surgery 5th Annual Meeting:
Faculty: Scientific Session: "Erbium: YAG Laser-Assisted Hair
Transplantation: A Clinical and Histologic Study." Barcelona, Spain
October 1997

American Society for Laser Medicine and Surgery Annual Meeting:
Erbium: YAG Laser for Acne Scarring/Resurfacing: A Clinical and
Histologic Study. Phoenix, AZ April 1997

Society for Investigative Dermatology 54th Annual Meeting: Plenary
Session: "Lack of DNA Release with Copper Vapor Laser Treatment of
Human Skin". Washington, DC April 1993

American Society for Dermatologic Surgery 20th Annual Clinical and Scientific Meeting: "*Lack of DNA Release with Copper Vapor Laser Treatment of Human Skin*". Charleston, SC March 1993

American Society for Laser Medicine and Surgery 12th Annual Meeting: "*Lack of Human DNA Release with Copper Vapor Laser*". Lake Buena Vista, FL May 1992

American Society for Laser Medicine and Surgery 11th Annual Meeting: "*Copper Vapor Laser treatment of recurrent anogenital and body warts.*" San Diego, CA April 1991

American Society for Dermatologic Surgery 18th Annual Clinical and Scientific Meeting: "*Copper Vapor Laser treatment of recurrent anogenital and body warts.*" Orlando, FL March 1991

V. European-American Symposium on Venous Diseases: "*The histopathology of venous ulceration.*" "*Contact dermatitis and leg ulcers.*" Vienna, Austria November 1990

American Society for Laser Medicine and Surgery Tenth Annual Meeting: "*Copper Vapor Laser Treatment of Pigmented Lesions.*" Nashville, TN April 1990

American Society for Laser Medicine and Surgery Tenth Annual Meeting: "*Copper Vapor Laser Treatment of Genital and Body Warts.*" Nashville, TN April 1990

Third Annual Symposium on Advanced Wound Care: "*Faster healing and less pain in skin biopsies treated with an occlusive dressing.*" Orlando, FL March 1990

Third International Symposium on Tissue Repair-**Plenary Session:** "*Methods to speed healing of skin biopsies and trichloroacetic acid chemical peels.*" Miami, FL January 1990

Society for Investigative Dermatology 50th Tricontinental Meeting: "*An endothelial cell cytokine induces fibroblast expression of factor XIIIa (13a).*" Washington, D.C. April 1989

American Academy of Dermatology 47th Annual Meeting - *Resident's Symposium:* "*An endothelial cell cytokine induces fibroblast expression of Factor XIIIa.*" Washington, DC, December 1988

American Society of Dermatopathology 26th Annual Meeting -
Dermatopathology and AIDS Session: *"Photosensitive Eruptions in
AIDS."* Washington, DC, December 1988

American Academy of Dermatology 46th Annual Meeting - Gross and
Microscopic Symposium: *"Scleromyxedema: Treatment with
Cyclophosphamide."* San Antonio, TX December 1987

American Academy of Dermatology 46th Annual Meeting - Gross and
Microscopic Symposium: *"Chronic Photosensitivity Associated with AIDS:
Treatment with PUVA."* San Antonio, TX December 1987

American Academy of Dermatology 45th Annual Meeting - *Resident's
Symposium: "Stimulatory effect of human wound fluid on epidermal
outgrowth from porcine skin explant cultures."* New Orleans, LA
December 1986

American Academy of Dermatology 45th Annual Meeting - *"Atrophie
Blanche - Atypical vasculitis refractory to treatment: Healing with 13 - cis
retinoic acid."* New Orleans, LA December 1986

American Academy of Dermatology 45th Annual Meeting - Gross and
Microscopic Symposium: *"Pyoderma Gangrenosum associated with
Behcet's Disease: Treatment with Pulse Therapy, Hyperbaric Oxygen,
and Immunosuppressives."* New Orleans, LA December 1986

Society for Investigative Dermatology 47th Annual Meeting: *"Stimulatory
effect of human wound fluid on epidermal outgrowth from porcine skin
explant cultures."* Washington, DC May 1986

POSTER PRESENTATIONS:

American Society for Laser Medicine and Surgery 26th Annual Meeting:
"Successful Treatment of Spider Angiomas with a Long Pulsed 940 nm
Diode Laser." Boston, MA April, 2006

American Society for Laser Medicine and Surgery 26th Annual Meeting:
"Impressive Laser hair Removal with 810 nm and 940 nm PowerPulsed
Diode Lasers: A Comparative Study." Boston, MA April, 2006

European Academy of Dermatology & Venereology 14th Congress:
"Successful Treatment of Spider Angiomas with a Long Pulsed 940 nm Diode
Laser." London, United Kingdom October 2005

European Academy of Dermatology & Venereology 14th Congress:
"A Comparative Study of 940 nm and 532 nm Diode Lasers to Treat Facial
Telangiectasias." London, United Kingdom October 2005

European Academy of Dermatology & Venereology 14th Congress:
"Successful Treatment of Cherry Angiomas with a Long Pulsed 940 nm Diode
Laser." London, United Kingdom October 2005

American Society for Laser Medicine and Surgery 21st Annual Meeting:
"Successful Treatment of Leg and Facial Spider Veins and Vascular
Lesions with a Long Pulsed 940 nm Diode Laser" New Orleans, LA
April 2001

Society of Investigative Dermatology 52nd Annual Meeting: "*Nuclear Type
II steroid receptor binding sites in basal cell and squamous cell
carcinomas.*" Seattle, WA May 1991

Society of Investigative Dermatology 51st Annual Meeting: "*Elevated Type
II glucocorticoid receptor binding in keloids and hypertrophic scars.*"
Washington, DC April 1990

Society of Investigative Dermatology 49th Annual Meeting: "*Factor XIIIa is
expressed by fibroblasts in fibrovascular tumors.*" Washington, DC April
1988

CURRENT AND PAST TEACHING RESPONSIBILITIES (SELECTED):

1993 - 2009: Teaching of Dermatology residents, Dept. of Dermatology
and Cutaneous Surgery, Univ. of South Florida School of Medicine:
Advanced Dermatologic Surgery Clinic: Skin Cancer and Facial
Reconstructive Surgery; Dermasurgery; Laser Surgery.

1989 - 92: Teaching of Dermatology residents (Full-Time Faculty), Dept. of
Dermatology and Cutaneous Surgery, Univ. of Miami School of Medicine:
Laser surgery, general Dermasurgery and cosmetic surgery, skin cancer
and facial reconstructive surgery, rejuvenation peels, dermabrasion,
general dermatology clinics, in-patient dermatology service including
photobiology unit, pigmented lesion clinic, keloid clinic, and hair
transplantation utilizing natural occurring follicular unit grafts.

6/92 "*Lack of Human DNA release with Copper Vapor Laser.*" Radiation
Oncology Grand Rounds Lecture Series. University of Miami, Miami, FL

8/91 "*Copper Vapor Laser Update.*" Dermatology Seminar, University of
Miami, Miami, FL

8/91 *"Wound Healing."* Dermatology Seminar, University of Miami, Miami, FL

7/91 *"Surgical Pearls."* Dermatology Surgery Conference, University of Miami, Miami, FL

12/90 *"Copper Vapor Laser Treatment of Vascular Lesions, Pigmented Lesions, and Warts."* Radiation Oncology Residency Training Program. Grand Rounds Lecture Series, University of Miami, Miami, FL

7/90 *"Copper Vapor Laser Treatment of Vascular Lesions, Pigmented Lesions, and Warts."* Dermatology Research Conference, University of Miami, Miami, FL

7/90 *"Basic Surgical Concepts and Anatomy for the Dermatologic Surgeon."* Dermatology Surgery Conference. University of Miami, Miami, FL

6/90 *"Copper Vapor Laser Treatment of Vascular Lesions, Pigmented Lesions, and Warts."* Dermatology Staff Conference, Miami Dermatology Society, Miami, FL

4/90 *"Pigmented Lesions and Melanoma." "Scars and Keloids" Medical Student Mechanisms of Disease Course.* University of Miami, Miami, FL

9/89 *"Practical Anatomy for the Dermatologic Surgeon."* Dermatology Surgery Conference, University of Miami, Miami, FL

7/89 *"Introduction to Surgical Techniques, Grafts, Flaps, Chemical Peels, and Laser Surgery."* Dermatology Surgery Conference, University of Miami, Miami, FL

9/88 *"Factor XIIIa."* Dermatology Research Conference, University of Miami, Miami, FL

7/88 CO2 Laser Surgery Workshop for Dermatology Residents, University of Miami, Miami, FL

7/88 *"Occlusive Dressing Therapy."* Pharmacology Conference, University of Miami, Miami, FL

4/87 *"Langerhans cells and Merkel cells."* Dermatology Seminar, University of Miami, Miami, FL

7/86 *"Leg edema and transcutaneous oxygen measurements."* Dermatology Seminar, University of Miami, Miami, FL

1985 - 86 **Wound Healing Fellowship:** Clinical training and supervision of skin grafting techniques for dermatology residents, clinical management of leg ulcers and other chronic wounds, and clinical dermatology/ skin allergy: Dept. of Dermatology, University of Pittsburgh School of Medicine, Pittsburgh, PA

5/86 *"Ambulatory management of leg ulcers."* Department of Family Practice, Shadyside Hospital, Pittsburgh, PA

1/86 *"Pathogenesis, clinical characteristics and treatment of leg ulcers."* Physical diagnosis course, University of Pittsburgh, PA
